RESPONSE TO NON-FINAL OFFICE ACTION

Dear Sir:

This paper is responsive to the non-final Office action dated September 13, 2001, having a shortened statutory period set to expire December 13, 2001. Further examination and consideration are requested.

AMENDMENTSIn the Drawings

Please amend Figures 1 and 2 as shown in red on the attached drawing.

In the Specification

Please replace the paragraph on page 14, lines 4-19 with the following paragraph:

A1

Various embodiments of the present invention will be described with respect to lens sheets and lenslets satisfactory for use in forming 3D displays incorporating teachings of the present invention. These lens sheets and lenslets may be formed from a wide variety of optically transparent materials such as plastics and glass. Lens sheets and lenslets are often formed using injection molding techniques. Commercially available
